dineshramp@gmail.com
Dindigul

PROFESSIONAL SUMMARY

MTech graduate in Artificial Intelligence with practical experience in deep learning, computer vision, cloud technologies and android development. Developed research-oriented AI solutions and full-stack applications, with a strong interest in solving real-world problems through technology. Seeking entry-level roles where I can contribute and continue growing as a technology professional.

EDUCATION

Amrita Vishwa Vidhyapeetham, Coimbatore 2024 - 2026
M.Tech in Artificial Intelligence | CGPA: 7.10 / 10.00

Mepco Schlenk Engineering College, Virudhunagar 2020 - 2024
B.E in Electronics and Communication | CGPA: 7.92 / 10.00

TECHNICAL SKILLS

Python | SQL | Machine Learning | Deep Learning | Computer Vision | Explainable AI (XAI) | Prompt Engineering | Generative AI | PyTorch | NumPy | Pandas | Scikit-learn | OpenCV | Google Cloud Platform (GCP) | Amazon Web Services (AWS) | GitHub | Flutter | Android Studio | C | C++ | HTML | CSS | JavaScript | Flask | REST APIs

PROJECTS

Multi-Class Oral Cancer Classification using Deep Learning Nov 2025 - Apr 2026
Tech Stack: Python, PyTorch, UNet, EfficientNetV2, Numpy, XAI

- Developed a multi-class oral cancer classification pipeline using U-Net segmentation and EfficientNetV2 classification.
- Used Grad-CAM to improve model reliability and interpretability.
- Presented the research findings in an International Conference [ICCCSP 2026](#).

Land Cover Detection Using Deep Learning on GCP Jul 2025 - Oct 2025
Tech Stack: Python, SpectralFormer, Google Colab, GCP, HTML, CSS, JavaScript

- Developed a SpectralFormer-based land cover classification model using multispectral satellite imagery.
- Built a web interface for visualization and prediction and deployed on GCP.

Smart Water Quality Monitoring System Nov 2023 - Apr 2024
Tech Stack: Arduino, ESP32, XGBoost, Flask, Adafruit IO, HTML, CSS, JavaScript

- Developed an IoT-based system for real-time river water quality monitoring using multiple sensors.
- Implemented an XGBoost model for water quality assessment and integrated it with a Flask web application.
- Enabled remote monitoring through MQTT communication, Adafruit dashboards, and email alerts.

LEADERSHIP EXPERIENCE

The Institution of Engineers (India) - ECE Student Chapter

Executive Secretary | Mepco Schlenk Engineering College | 2020 - 2024

- Organized weekly technical events, including quizzes, seminars, and discussions on emerging technologies for ECE students.
- Coordinated technical and fun events during the intercollegiate symposium Gyan Mitra, ensuring smooth planning and execution.
- Worked with faculty members and student volunteers to manage event logistics and participant engagement.
- Contributed to planning and executing various club activities, promoting technical learning and active student participation.

Apti-Riders Forum

Joint Secretary | Mepco Schlenk Engineering College | 2020 - 2024

- Organized online and offline aptitude competitions and learning sessions to enhance students' problem-solving abilities.
- Conducted aptitude-based events during the intercollegiate symposium Gyan Mitra.
- Designed event posters, digital notices, presentations, and promotional materials using Canva, Microsoft PowerPoint, and Microsoft Word.
- Coordinated event planning, participant communication, prize distribution, and overall execution of club activities.

RESEARCH PUBLICATION

Development of Smart Water IoT System to Assess and Monitor the Quality of Indian River Water. (2026). International Journal of Latest Technology in Engineering Management & Applied Science, 15(6), 1817-1826.

DOI: <https://doi.org/10.51583/IJLTEMAS.2026.150600128>

CERTIFICATIONS

- Problem Solving Through Programming in C (NPTEL)
- Joy of Computing using Python (NPTEL)
- Object Oriented Programming Using Python (Infosys Springboard)
- Data Structure and Algorithms Using Python (Infosys Springboard)
- Introduction to NoSQL Databases (Infosys Springboard)
- Database Management System (Infosys Springboard)
- Meta Android Developer Professional Certificate (Coursera)
- Cisco Certified Network Associate (CCNA)

LANGUAGES

English | Tamil | Hindi
